Visit the Library to Earn Girl Scout Badges

The J. Erik Jonsson Central Library in downtown Dallas can help your troop earn three different badges. And while you’re there, your troop can also explore the 8-story building and discover its many treasures to earn the Dallas History Museum Explorers patch.

For Brownies

My Family Tree badge
Come to the 8th floor and learn about genealogy! For this badge, you’ll make a family tree, learn about family history, share family stories, and make your own family crest! You will also learn some skills to continue family history research on your own.

For Juniors

Detective badge
Test your observation skills, learn about fingerprinting, and put the clues together while earning this badge.

Scribe badge
Choose the topics that most interest your troop: poetry, short stories, journaling, news reporting and opinion pieces. This workshop can last one or two hours; a two hour workshop will encompass a little of everything.

Contact the Youth Services department at 214-670-7943 or youthservices@dallaslibrary2.org to schedule a visit to the library with your troop!
